Dear Madam, Sir,

Thank you for your interest in becoming an individual member of the EUROPEAN FAMILY THERAPY ASSOCIATION.

As you may know, EFTA is the first and only organization to bring together family therapists from all over Europe, with members from 29 countries.

The aim of this association is to promote a higher level of competence and quality in the practice, research and teaching of family therapy as well as to link and coordinate European centers, institutes and individuals in the field of family therapy.

Since 2001 EFTA has turned over a new leaf. The current structure consists of 3 chambers (Chamber of Individual Members, Chamber of Training Institutes and Chamber of National Associations).

If you would like to become a member of EFTA, please fill out the enclosed form and return it with the required documents (see checklist on the form).

We are looking forward to hearing from you.

Martine Nisse
Chair of the EFTA Chamber of
Individual Members
